Dear Life Savers,

I don't know if you realize just how important your monthly gift to My Father's House really is. This is how our income breaks down.

We receive 16% of our yearly income from Church Missions Giving. 1% comes from Businesses. Grants account for another 5%. Rent from the girls, yes, we do charge them a small rent if they have income, adds another 3.5%. Fundraisers account for 5%. Another 1% is categorized as Miscellaneous Income.

This means that a whopping 68.5% of all the money needed to operate My Father's House comes from you, our Faithful Individual Donors.

When you stop and think about it, that's pretty incredible. More than two thirds of the financial responsibility to house, feed, teach, counsel and show God's love to these young moms and their children is carried by individuals and families who will never even meet these kids. Yet you give, anyway. Wow.

Imagine the smile on Jesus' face and the feeling in your heart when you meet the Lord and he says, "Well done, my good and faithful servant. What you did for these little ones, you did for me."

We are working on increasing the percentages brought in by grants and fundraisers. We have two people who are trying to find foundations who are willing to give to a ministry like ours. I think that would be easier to do if we took in stray cats and dogs, rather than stray kids.

I just thought you would like to know just how much your giving impacts the lives of the kids God brings to our door – and how much we appreciate it.

In His service,
